birth mother and contact issue Escrito por kevinmanuel - 20/04/2018 13:14
HI,
can u give me advice again please, our gc birth mother has not had contact for over a year, now she wants to come back we are very concerned about our gc cause she is not relable and will not stick to contact.
we have a sgo but do not no were we stand, i cant belive that she could want to cause more upset t this poor child.
Please help.
I didn't find the right solution from the Internet.
