Oh, oh

I want to give you all of me – the underneath
Want you to show me imperfection is actually love
I thought, cursed – I was cursed –
destined to be lonely
A circle in a world of squares
where nobody knows me
So with every footstep I must
follow the kissing moments
I thought were impossible

Breathe gentle, Be gentle
Don't leave me behind
when love goes faster
Breathe gentle, Be gentle
Never let me go when love goes faster
I will be gentle

See, photographs have only two dimensions
But love defies all logic in a picture
Above all that is physical, I'm falling
Falling uncontrollably – it terrifies me

So if my compass, it fails me
And I feel I'm walking blind
Don't say goodbye
Don't let me hide
Oh please don't let me spiral
Tortured by you, oh, sweet torture!
I am a pirate -- love my fortune
The walls have fallen now
The key is yours to turn – I'm breathing

Breathe gentle, Be gentle
Don't leave me behind
cause love goes faster
Breathe gentle, Be gentle
Never let me go when love goes faster
I will be gentle

Every time I run somehow love runs faster
Without your loneliness is everlasting
I still feel you
But I hear you - loudly
Screaming – "please wait for me"
Cause I don't want to hurt you

And I don't want to loose this love this time.

Se cerco lo vedo

l'amore va veloce e tu stai indietro

Se cerchi mi vedi Il bene più segreto

sfugge all'uomo che non guarda avanti mai
