The Texans are looking for their fifth win of the season and all that stands in front of them is...Brock Osweiler.The sequence of events that happened in order for us to arrive at this point has been bizarre. Three of the offenses the Texans have faced in the last month imploded in some way.How fortunate it is that it looks like the Dolphins are in a similar boat with injuries to their two best wide receivers and their starting quarterback.http://www.sndpic.com/nike_nfl_jerseys/nike_houston_texans/nike_texans_1507.jpg However tonight turns out Deshaun Watson Jersey , I'm excited to watch Osweiler throw the football again.
